**Safe Use and Handling:** For specific safe use and handling information, or to obtain the Glutaric Anhydride Safety Data Sheet, contact your local SEQENS Custom Specialties representative.

**Shelf Life:** An approximate shelf life of Glutaric Anhydride is 1 year, if the product is stored in the original container, kept tightly closed in a well-ventilated location. As storage and local ambient conditions vary and SEQENS Custom Specialties has no control over the practices, procedures and conditions at your or other locations, the shelf life estimate provided here should be used as guidance only. It is not provided as a guarantee of any shelf life.
